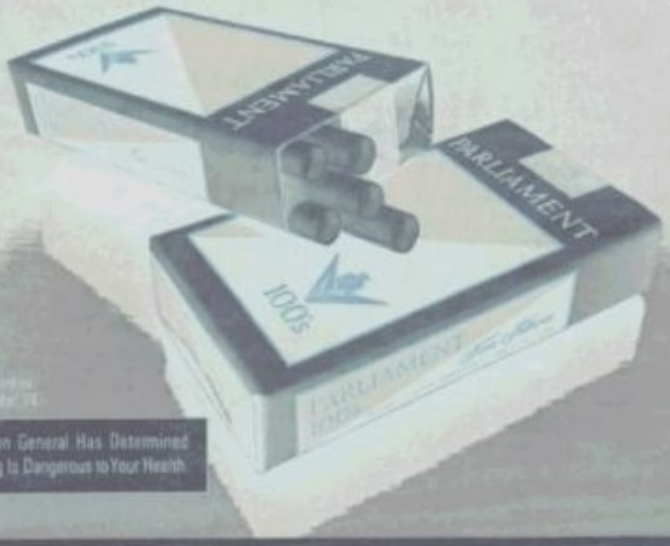
Printed in U.S.A.

Parliament. The recessed filter cigarette.

It works like a cigarette holder works.

1. French impressionist August Tonne used a cigarette holder to brush up his image. It also gave him cleaner taste.

2. No need for a cigarette holder today. Parliament's filter is recessed away from your lips, so you taste only the rich, clean tobacco flavor. Our contribution to the art of smoking.



Warning: The Surgeon General Has Determined That Cigarette Smoking Is Dangerous to Your Health
